Disclaimer: First American Title Company provides this information as a courtesy. The company assumes no liability for its content or accuracy. Our NOD numbers, generated from MetroScan, are derived from the number of NOD filings at the Deschutes County Clerk's office. Our total count reflects the number of individual properties (tax lots) that went into default, not just the number of documents filed. Therefore, our total numbers do not always match the number generated by the

Deschutes County Clerk.
